## Student profile at 15 September 2020

Sponsor A Child is currently providing some financial support to 110 needy students so they can attain their academic potential and eventually become an integral part of the working force and Mauritian economy.

The bulk (94%) of sponsored students are in the secondary education sector. There are 4 primary school students and another 2 at tertiary/prevocational level. Five students from Rodrigues and the others are spread across 7 districts in Mauritius. A third of the students are located in the Plaines Wilhems.

Due to low funding, at June 2020, we were sponsoring 78 students in 35 schools across Mauritius and Rodrigues. With increased funding in the second half of the year, our sponsorship has increased and comparable to 2019 levels, i.e. 110 students across 40 schools at mid-September 2020.

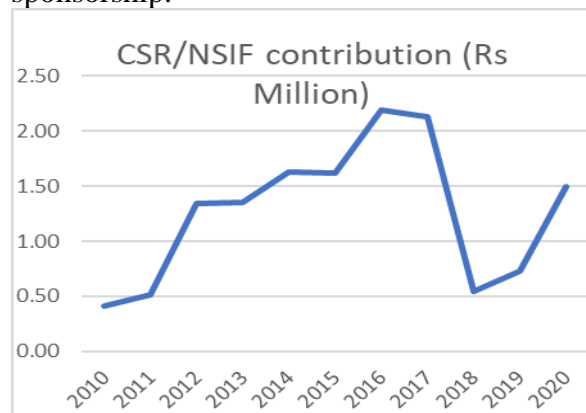

The drop in schools being serviced is linked to reduced capability for visits and the fact that a number of schools are no longer support the administration of the children we sponsor.

## Sponsorship

At the end of March 2020, we had received only Rs152,822 of corporate sponsorship. Such that for the first time in our history, our individual sponsors were funding more students than corporate ones. i.e. 53% of the 77 students sponsored at the time.

In Semester 2 of 2020, SAC received a 12-month Rs300,000 grant from the National Social Inclusion Foundation. Corporate funding has also picked up (Rs734,000) enabling us to increase our sponsorship.
