

# SPONSOR A CHILD

Affiliated to the Mauritius Council of Social Service Reg. No: 8952, NCSRF/2017/0590

## Activities in 2021

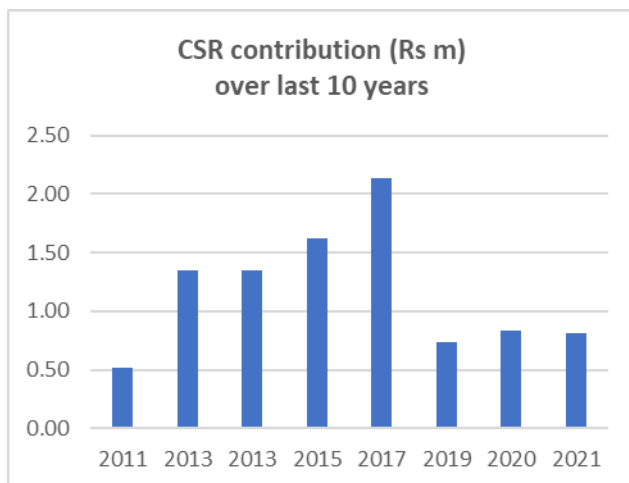

Sponsor A Child assisted as many as 141 students at one time in 2021 gradually increasing intake from 107 at the end of 2020.

Rodrigues: In January 2021, we received a Rs100,000 donation for Rodriguan students. With further support from individual sponsors, we have extended our sponsorship to 16 students across 2 primary and 3 secondary schools from only 4 beneficiaries in 2 schools.

Wakashio: Eight students whose parents' livelihoods have been impacted by the maritime disaster were provided monthly allowances.

Technical: Twenty seven students were enrolled in technical subjects such as Arts, Design, Food & Nutrition at secondary level. One beneficiary is enrolled in the first year of an MITD course.

This has been possible thanks to the generosity of our corporate and individual sponsors. We also benefited from a 12-month grant from the National Social Inclusion Foundation which supported 29 beneficiaries.

## In Memory of Mrs Chandranee Bhuckory

*We sadly lost our Vice-President and the founder of the organization in October 2021. Her dedication and generosity has made a difference in the lives of thousands of needy children.*

## Achievements in 2021

In spite of the difficulties faced by students with successive waves of COVID-19, school closures and the introduction of online classes, our students performed well at national exams.

### National Education Certificate (NCE)

Twelve of the 16 entrants were promoted to Grade 10. Four others are repeating to improve their Maths or English. One student obtained distinction in all subjects and transferred to Royal College Curepipe, an academy school.

### School Certificate (SC):

Thirty students sat for the exams and 26 passed and of those 16 obtained the 5 credits required for HSC. Fifteen students scored As .

### Higher School Certificate (HSC):

Thirteen students passed and 2 obtained the General Certificate of Education (GCE) Award. One student scored all As and ranked in the top 20 of the Science stream.
